

# BRIDGE demonstration session

## Plenary closure

Judith Klostermann (WUR-Alterra)

26 October 2011

# 1 Questions to Maria Yeroyanni

---

- Ask some questions before she has to leave

# Discussion

## Requirements from practice:

1. Integration
2. Proactive planning
3. Learning tool
4. User friendliness
5. Many kinds of users
6. Different scales

**BRIDGE DSS:**

**Can it do everything?**

# Final question: how to develop final tool?

---
